Great Falls Woodturners Newsletter

www.gfturners.org

Volume 4, Number 9

May 2013

Important Announcement

The June 4th and July 13th Club meetings will be held at a different location: 809 9th Street South (behind City Lights) in **Arnie Owen's Shop**. There is ample off-street parking in the area around the shop. A map is provided at the end of this newsletter on how to find the shop. Meeting time has not changed: 6:30 PM. If you have any questions please give me a call at 761-4145. Sam

A Special Club Member

The Great Falls Woodturners Club is a group of folks that are friendly, generous, knowledgeable, and downright nice. We have an individual who is all of the above and then takes it a step further to ensure our club is very successful.

I'm speaking of **Chuck Kuether**.

This gentleman has been most gracious with his time, knowledge, and skill in providing education to our club in the

form of demonstrations as well as many other areas. When he performs a demo, it is so obvious that he takes much of his time to prepare an outstanding demo so all levels of turners

understand and further their knowledge of woodturning. Chuck never says 'no' if asked to do a demo and has called to volunteered his services to the Club. As you all know, he is our Vice President and also provides guidance and solutions to problems that keep our

club functioning in an outstanding manner. He has been an outstanding leader in our club.

On behalf of all club members I thank Chuck for all that he does for us.

Club Demonstrations

Chuck Kuether - April 20th

We again had an outstanding demo by **Chuck Kuether** who educated the club with How to Turn a Square Bowl. The turning of a square bowl is challenging and with his demonstration, he has passed on the knowledge of doing a square bowl with confidence.

Chuck was able to explain each and every step and which tool to use for each of the steps involved in the turning.

Thanks again for an excellent demo.

Kent Holtz – April 20th

On April 20th **Kent Holtz** demonstrated and explained how he has been able to make compound miters on the beautiful segmenting bowls, platters, etc. that he has shared with us over the past few years. After reading Malcolm Tibbets' book on segmenting, Kent decided to make his turning a little more simple by devising his jigs that allow making a compound miter with only adjusting the degree adjustment of the miter and not having to adjust the compound degree. With this demo he made our segmenting of Staves so much easier. Thanks Kent!

Kent demonstrating the use of the compound jig that he created.

Barry Rockwell – May 7th

On May 7th **Barry Rockwell** provided us with an another outstanding demo on turning a green bowl. As usual he gave a demo that encompassed a complete instruction of processing the log, mounting, turning, tools that can be used, and finishing the bottom of the bowl. It's obvious that he devoted a lot of time and preparation in this demo and for that we thank him very much.

THANK YOU to the Three of you for great demonstrations.

Kudos Korner

Special Thanks

Thanks to **Dave Stratton** for videoing the Chuck Kuether Demo on April 20th.

Thanks to Chuck Kuether for videoing the Barry Rockwell Demo on May 7th.

Also, thanks very much for Dave and Chuck creating and duplicating DVDs of the demos.

To Dave for his 'bookkeeping' of the club video list for the newsletter.

Thanks to Darrell Young for his discussion on shop safety. (This comment is not meant to be humorous, but a sincere thanks to help us be safe!)

Thanks to **Paul Snyder** for the great photographs he takes during the meetings and instant galleries. This particular meeting was very demanding with all of the segmented bowls and all the others offered to the Instant Gallery.

Thanks to **Larry Strizich** for the great job on the Club Internet Site, www.gfturners.org. Larry regularly performs updates and maintenance on the site which we appreciate very much!

Thanks to all the members who contributed this month to the set up and take down at the meeting, cleaning up the facility, fund raising and everything it takes to make the club a success.

Calendar of Events

Future Club Meeting Dates

** May 18th Demo by Wayne Petrini

There will be only one meeting during June and July which will be:

*Jun 4th Arnie Owen to Demo turning a Corian Bowl

Jul 13th Tom Edwards and Allen Driver from the San Diego Woodturners Club give a mini symposium on woodturning tool making.

*Aug 6th **Club Elections** followed by a finishing Demo by Chuck Kuether and a sharpening demo by Sam Sampedro

Aug 17 Club Picnic at Barry Rockwell's Place

*Sep 3rd Club Meeting

**Sep 21 Demo

*Oct 1 Club Meeting

**Oct 19 Demo

*Nov 5 Club Meeting

**Nov 16 Demo

*Dec 3 Club Meeting

**Dec 21 Demo

* 6:30 PM

** 12:30 PM

Perpetual Bowl

The lucky winner of the May 7th drawing of the perpetual bowl was Kent Holtz. Jay Eklund created the winning bowl. Kent has the honor of providing the perpetual bowl for the June 4th meeting.

Editor's Comment: My thanks to the following individuals who helped with the content of this newsletter:

I would like to remind you all that I can use and need your input in our newsletters. I solicit all articles and pictures to make publishing this newsletter a little easier. Sam

Shop Tip – Sam Sampedro

As you all know by now, there isn't anything you cannot find on the internet if you use the right search words.

The other day I was just goofing around and went to WWW.YOUTUBE.COM and typed 'Lyle Jamieson' in the search element on the YouTube site. It took me to the below site that lists all of the Lyle Jamieson videos available for free viewing.

I know we have a number of new turners and turners that haven't turned for a while. Go to the following site and you can find a Jamieson video that instructs you on almost every facet of turning.

http://www.youtube.com/results?search_query=Lyle+Jamieson&og=Lyle+Jamieson&gs_l=youtube.3..0.6978.11935.0.12708.13.9.0.4.4.0.117.700.8j1.9.0...0.0...1ac.1.11.youtube.bRxDuk_zDbI
